

The Aiken Young Professionals (AYP) steering committee along with the Greater Aiken Chamber of Commerce would like to invite you and your employees to be a part of a new initiative. Aimed at attracting professionals between the ages of 22 and 39, AYP is a great way for members and guests to network in an environment that incorporates both business and pleasure.

Benefits of Individual Membership:
(\$50 annually for chamber members, \$75 for non-members)

- Being an active member in a social network of more than 250 young professionals in the Aiken area
- Involvement in quarterly lunch seminars directed at a desire for career, professional, and personal development
- Opportunities for business networking amongst new and established companies/corporations, furthered by visits to local business establishments
- Access to community leaders and leadership training
- Discounted rates and occasionally free admission to AYP events
- Access to a comprehensive calendar of events centered around networking and development of young professionals in Aiken
- Opportunity to be featured in future AYP publications

Benefits of Corporate Membership:
(pricing included in membership packet)

- Sponsor visibility on AYP's website, publications, advertisements, and events
- Great business development tool for your organization
- Great way to leverage marketing efforts with meaningful message
- Builds goodwill and cooperation of membership
- Employee membership benefits, depending on giving level

We encourage you to visit our website at www.aiken-yp.com and view our calendar so you can be sure to attend our next event! Membership applications for individuals can be found on the website and should be filled out and returned to the Aiken Chamber of Commerce.
